**Re: United States v. Khalid al Fawwaz and Anas al Liby,
98 Cr. 1023 (LAK)**

Dear Judge Kaplan:

The Government writes to respectfully request, with the consent of defendants Khalid al Fawwaz and Anas al Liby, a brief extension of the schedule for filings pursuant to the Classified Information Procedures Act (“CIPA”) in the above-referenced case. Specifically, the Government seeks to extend the deadline for its Section 5 response and Section 6 filings from Tuesday, September 23 to Friday, September 26. The Government is seeking this adjournment principally because the Government and defendant Fawwaz have initiated preliminary discussions concerning a potential stipulation that may resolve substantial portions of the Government’s and Fawwaz’s respective motions and require a brief additional period of time to continue such discussions in advance of further filings. In addition, the Government continues to work with other government agencies to prepare the necessary supporting documents in connection with its Section 5 and 6 filings but has been advised by these other components that they may be unable to prepare such supporting documents by the current filing deadline of September 23.

In the event the Court grants this request, the parties jointly request that the defendants’ deadline for their responsive filings be adjourned by a similar period, from Tuesday, September 30 to Friday, October 3.
